

# Englewood Flyer

June 6, 2019

## Field Day & Last Day of School

### Wednesday, June 12th

We need parent volunteers. The signup is on the desk just inside the front entrance doors. You must have a cleared background check to volunteer.

## Attendance

Great job Englewood students on working hard to be here everyday.

Mondays and Fridays are consistently the lowest attendance days. Please make an extra effort to be here next Monday.

## Capitol Tour

Climb 121 steps to get to the top and get up close to the Gold Man.

The tour to the top of the Capitol provides some of the best views of the Willamette Valley.

Tours start June 17th. For more information about tower tours call Visitor Services at 503-986-1388.
