## Jog-a-thon T-shirt Designers

A big thank you to all the students who submitted artwork for the Jog-a-thon T-shirt. It was a tough decision! Congratulations to **Eduardo M. from Rm 21** for the winning design.

## Toolbox Tools

We are continuing our use of tools we learned last year. We started with the Breathing Tool and Quiet/Safe Place Tool. Next week we will start using The Listening Tool. Ask your students about the tools and how they are using them.
