Dismissal Routine

Many parents and students are not being safe during dismissal. Please use the crosswalks and do not park in the bus zone along 19th Street. Set a good example for your children. They watch everything you do.

Be Here & Be On Time

We know how hard it is to adjust back to the routine of school. It has been a struggle for many students to get to school on time. This last Monday 31 students were tardy and 21 students were absent. That's over 14% of our students!

When students arrive late it interrupts the classroom because the teacher has to stop and get the student up to speed with the rest of the class. The rhythm of the classroom stops and instruction time is lost. When students are absent they lose valuable instruction time that can't be replaced with homework.

If you have been struggling with attendance or just getting here on time try using Sunday night to have a family meeting. Talk about what it takes to get ready for school each day. Make a goal to be here for breakfast by 8:15 or 8:25 when students are allowed into classrooms. It could be a fun activity to time how long it takes to get to school and time how long it takes to get ready each day. Then add an extra 15 minutes to give yourself plenty of time for unexpected surprises. See the example below and fill out the blank one. If you fill it in and bring it back to show someone in the office you can get a SOAR ticket.

Example:

Arrive at school/breakfast: 8:15
 Leave the house: 8:05
 Get Ready for school: 7:30
 Wake up: 7:15

Do It Yourself:

Arrive at school/breakfast: _____
 Leave the house: _____
 Get Ready for school: _____
 Wake up: _____
