## 50's Dress Up Day Friday

### Listening Tool

How much do we really hear? How often do we really listen to ourselves and our wants and needs?

We listen with our eyes, ears and our hearts. Practicing the toolbox tools at home helps students to become stronger and helps create a happier, healthier school community.

- Eyes on the speaker
- Watch for body language
- Hearts notice what the other person is feeling
- Listen for tone, volume and behavior
- Ask the person to name their feeling based on what you see

### Thank you

Thank you to all the families who have paid their school supply fee. If you have not paid yet please remember it's never too late. If you haven't paid then you are on our scholarship list. The money is used to buy things such as pencils, crayons, binders, markers, notebooks, glue sticks, pencils boxes, special paper, etc. All items are used directly by the students. Thank you for supporting our Englewood School community.

### Turn in Bowling Party Permission forms

If students earned \$60 or more for the Jog-a-thon then a permission form was sent home. Permission forms need to be returned to the teachers ASAP.

### Write Your Name On It

Writing student's name on the tag of clothing helps staff to return coats and jackets back to students as soon as possible. Younger students have a difficult time identifying their personal items by sight.

Check out the Englewood Elementary school page.

There are several photos of coats we currently have in lost and found.
