## Courage Tool

Acknowledging the Courage it takes your children to be brave or to do things when they are afraid is very empowering.

Share some of your experiences growing up, and times you had to use Courage. If you feel comfortable, talk about times when you did not do the "right" thing, or times when you did not know what the right thing to do was. This can be helpful so children can understand how we grow and learn throughout life.

## Panorama Survey

Our district values your feedback!

We would like to invite you to take a brief **anonymous** survey and tell us about your experience at Englewood. **We want to know what you think!**

The survey is open now through December 20<sup>th</sup>. Once you access the survey, select Englewood from the dropdown menu, select the survey language and you'll be ready to go. This important survey will take 10-15 minutes.

We thank you in advance for your responses. If you have any questions about the survey don't hesitate to contact us at 503-399-3143.
