- 20 Family Math/Literacy Night

Half Way

We are half way through the school year! Remember to keep getting plenty of sleep, drink water and eat healthy so you are ready for school every day.

Taking Time Tool

I take time-in and time-away.

- Ask your children to explain the difference between a Time-In and a Time-Away, and to show you the Taking Time hand gesture.
- Remind family members to use their Taking Time Tool when conflicts arise.
- Talk about the kind of words and events that may lead to taking a Time-In or a Time-Away.

Kids Heart Challenge

Our school is participating in the Kids Heart Challenge with the American Heart Association. You can get a jump start by registering online today! Download the FREE App called Kids Heart Challenge for Apple or Android. Visit www.heart.org/kidsheartchallenge and search Englewood Elementary to get started.

RAH

Each month there is a RAH event for students who have met their reading goals the previous month. In January students got to meet Caesar, the No Drama Llama.

Special thanks to Jessica Preis for arranging this event.
