- 21 Vision Screenings-all students
- 26 Spring Pictures

Growth Mindset

Brains can grow!

The Power of "Yet" say:

- ◆ You can't do it yet.
- ◆ You don't know it yet.
- ◆ If you learn and practice, you will!

Using Our Words Tool

I use the "right" words in the "right" way.

Using Our Words Tool gives us a voice to ask for what we want and need. Using our words well helps us with clarifying misunderstandings and conflict resolution.

The NED Show

February 18th. The NED show is a fun assembly coming to our school. NED stands for Never give up, Encourage others, and Do your best. The assembly has yo-yo tricks, humor, storytelling, audience participation, and magic tricks.

After the show we will be selling yo-yo's at the office for \$5, \$10 & \$15.

Vision Screening

February 21st the entire school will participate in a vision screening. This will happen first thing in the morning. All students will be screened. If you do not wish your student to be screened write a note and deliver it to the office. It is a quick procedure and parents will only be notified if a student is recommended for a full exam.

RAH

Sock Party in February for students who have met their RAH goals in January.

The classroom that donates the most socks will also earn a party with Mr. Lutz. **The last day to turn in socks is February 14th.**
