

# Englewood Flyer

April 1, 2021

## Top 3 things to know this week!

### 1. Birthday Celebrations

---

Due to Covid restrictions we have decided as a school not to do birthday treats in class this year. We will do something different next year. Stay tuned.

### 2. School Calendar

---

Due to the inclement weather days in February the end of the year school calendar has changed. Please make sure you understand the schedule before making summer plans. **The last day of school for students at Englewood Elementary is June 17th.** There's a quick link to the calendar at <https://salkeiz.k12.or.us/>

### 3. Attendance

---

Please remember to attend school 4 days a week: 2 days in person on your cohort day and 2 days a week online. Student attendance will be taken during Music and PE. Our teachers are working hard, planning meaningful and enriching activities while at school and for online instruction.
