

# Englewood Flyer

April 21, 2022

## Diaper Drive-One More Week!

Our school and staff will be supporting Family Building Blocks by participating in the Les Schwab diaper drive.

- \* We need diapers, pull-ups, and wipes anytime. Please note **sizes 4-7** are the most urgent need.
- \* Bring the diapers, pull-ups, and wipes to Englewood.
- \* We will also be collecting change for donations.

## Confused about the 2 Hour Delay?

When the district calls for a 2 Hour Delay because of inclement weather Englewood Elementary will open for breakfast at 9:35 and the tardy bell will ring at 9:50. This is the schedule for any day of the week, Monday through Friday.

## Important Dates

### April

- 29 No School for students

### May

- 2-6 Teacher Appreciation Week
- 12 PTC Meeting, everyone is welcome 6:00
- 20 No school for students
- 27 Dress up day-Tropical Theme
- 30 No School

## Yearbook Orders

You may still turn in a yearbook order with cash or check. The online ordering option has passed.

## Registration Has Begun For 2022-2023

Every student, at **every school**, needs to register, EVERY YEAR. ParentVue makes registering your whole family very easy. If you need login information please call the office. ParentVue is not phone friendly, use a computer or chromebook to register.

## No Cell Phones at School

Cell phones need to be turned off and stored in backpacks during the school day. They should not be in student's pockets while students move around the school. If you feel your student has a special need for a cell phone please contact the office. If students are found using a cell phone, their teacher will turn it into the office and the student will be able to pick it up at the end of the day. If a student is causing a disruption or being defiant then the office will hold the phone until a parent can pick it up.

## Be Safe at Arrival and Dismissal

- Please drive slowly. Remember, the speed limit in a school zone when lights are flashing is 20 miles per hour.
- Don't park in neighbors' driveways at any time, even if the driveway is open.
- Don't block streets, stop in intersections or crosswalks, and please obey crossing guards' instructions.
- Remind children to stop and look both ways before crossing streets, and to respect neighbors' property - for example, don't make shortcuts through neighbors' yards.
- When lining up to pick-up or drop-off students, leave at least three feet of space between your car and the nearest driveway opening.
- Avoid lining up early for pick-up or drop-off to help minimize congestion.
- Don't park in bus lanes, even if no buses are present.
